at The Cherry Lane Theater  
38 Commerce Street

**A Number** is a play written by Caryl Churchill which addresses scientific, societal, and ethical issues related to human cloning. A brief discussion will follow on the practical and ethical issues regarding human cloning and the development of individual traits, including nature versus nurture.

WoW cultural events are part of the WoW social activities that help promote the participation of women in science by establishing strong networks of support and exchange of various academic and personal issues that strengthen connections and raise awareness of key issues to help support women in their studies and retain them in the sciences.

All Are Welcome.
